

PRODUCT INFORMATION SHEET

Product Group: Boronia	Boronia Just Margaret (Boronia Heterophylla)
Description:	Attractive neat compact evergreen shrub with deep green aromatic foliage and vibrant candy pink bell shaped flowers throughout spring.
Planting Position:	Ideal for garden beds, large tubs, native gardens and as a bird attracting shrub. Best suited to an open, moist, well drained slightly acid soil. Pruning is recommended immediately after flowering to maintain a tidy habit. Temperature Range 7° to 37°
Plant Size (approx):	1m high x 0.80m wide
Planting:	Dig a hole approximately twice the size of the container. Remove plant and place into the hole so the soil level is the same as the surrounding ground. Fill in the hole and push down firmly and water in thoroughly.
Fertilizing & Watering:	Fertilize in spring with a slow release fertilizer and water to keep moist in a pot situation.
