

PRODUCT INFORMATION SHEET

Product Group: Calathea	Calathea Insignis (Calathea lancifolia)
Description:	An ideal houseplant with tall, upright stems displaying narrow, wavy edged, glossy leaves. Light green leaves, patterned with dark green ovals on the front and coloured crimson on the back. Great for bathrooms.
Planting Position:	Ideal plant for a tropical garden or indoor specimen. Prefers a warm humid position free from draughts with filtered light in well drained soil. Temperature Range: 10° to 30°
Plant Size (approx):	30cm high x 20cm wide
Planting:	Dig a hole approximately twice the size of the container. Remove plant and place into the hole so the soil level is the same as the surrounding ground. Fill in the hole and push down firmly and water in thoroughly.
Fertilizing & Watering:	Liquid fertilize monthly. Keep moist in the summer and drier over winter.
