

PRODUCT INFORMATION SHEET

Product Group: Dianthus	Dianthus Plumarius Heaven Scent Angel of Peace
Description:	Tiny compact clumping perennial with tight grey foliage topped with stunning light pink with dark pink centres and highly scented flowers. Easy care, drought tolerant shrub which will retain their flowers for most of the year.
Planting Position:	Ideal border plant or in rockeries, tubs or hanging baskets. Prefers a bright sunny position in well drained soil. Temperature Range: 5° to 35°
Plant Size (approx):	10cm high x 30cm wide
Planting:	Dig a hole approximately twice the size of the container. Remove plant and place into the hole so the soil level is the same as the surrounding ground. Fill in the hole and push down firmly and water in thoroughly.
Fertilizing & Watering:	Fertilize with quality slow release fertilizer. Water regularly in dry months to ensure flowering.
