

## PRODUCT INFORMATION SHEET

<b>Product Group:</b> Gardenia	<b>Gardenia Augusta Ocean Pearl</b>
<b>Description:</b>	Dark green, glossy foliage, evergreen small shrub producing, double pearl white blooms which are heavily perfumed. Flowering from late spring through to the warmer months. Prune after flowering to promote growth.
<b>Planting Position:</b>	Suitable for hedging, feature planting and containers. Gardenias grow best in a warm position in a well drained, humus rich soil. Full sun or part shade position is best with protection from frost. Keep moist but not wet.  Temperature Range 5° to 40°
<b>Plant Size (approx):</b>	1m high x 1m wide
<b>Planting:</b>	Dig a hole approximately twice the size of the container. Remove plant and place into the hole so the soil level is the same as the surrounding ground. Fill in the hole and push down firmly and water in thoroughly.
<b>Fertilizing &amp; Watering:</b>	Fertilize in spring with a slow release fertilizer and water to keep moist in a pot situation.
