

PRODUCT INFORMATION SHEET

Product Group: Hebe	Hebe Inspiration
Description:	Beautiful spikes of lavender flowers set against green, glossy leaves make this neat, compact and hardy shrub a welcome addition to any garden.
Planting Position:	Ideal for containers, formal and informal hedges and windy, exposed or coastal sites. Can handle full sun to part shade in moist well drained humus rich soil. Prune lightly after flowering. Temperature Range 7°C to 37°C
Plant Size (approx):	.07m high x .07m wide
Planting:	Dig a hole approximately twice the size of the container. Remove plant and place into the hole so the soil level is the same as the surrounding ground. Fill in the hole and push down firmly and water in thoroughly.
Fertilizing & Watering:	Fertilize in spring with a slow release fertilizer and water to keep moist in a pot situation.
