

PRODUCT INFORMATION SHEET

Product Group: Hebe	Hebe Pretty in Pink
Description:	Dark oval shaped foliage that features deep burgundy on the spear shaped tips. It is a very hardy, evergreen spreading shrub. Lovely pink flowers during autumn and into winter. The foliage colour will be much deeper if planted in full sun.
Planting Position:	Great addition to any garden, can handle full sun to part shade in moist well drained soil. Can withstand coastal conditions. Tolerates wind and frost once established. Prune lightly after flowering. Temperature Range 3° to 37°
Plant Size (approx):	30cm high x 90cm wide
Planting:	Dig a hole approximately twice the size of the container. Remove plant and place into the hole so the soil level is the same as the surrounding ground. Fill in the hole and push down firmly and water in thoroughly.
Fertilizing & Watering:	Fertilize in spring with a slow release fertilizer and water to keep moist in a pot situation.
