

PRODUCT INFORMATION SHEET

Product Group: Hebe	Hebe Spring Monarch
Description:	A small evergreen shrub with lush green foliage, featuring a profusion of white flowers with light lilac buds during spring.
Planting Position:	Great addition to any garden, can handle full sun to part shade in moist well drained soil. Can withstand coastal conditions. Tolerates wind and frost once established. Prune lightly after flowering. Temperature Range 3° to 37°
Plant Size (approx):	1m high x 1m wide
Planting:	Dig a hole approximately twice the size of the container. Remove plant and place into the hole so the soil level is the same as the surrounding ground. Fill in the hole and push down firmly and water in thoroughly.
Fertilizing & Watering:	Fertilize in spring with a slow release fertilizer and water to keep moist in a pot situation.
