

PRODUCT INFORMATION SHEET

Product Group: Fern	Nephrolepis Obliterata (Emerald Queen)
Description:	A moderate growing fern with emerald green leaves and a more upright habit. One of the nicest looking ferns for all conditions. Good for pots and hangers, it will also live indoors or out. The Australian Sword fern enjoys tropical type heat and humidity with a good air flow.
Planting Position:	Can be kept in pots as a display for the patio or planted in a protected area in the garden. Best if given some protection from frost. Never allow to dry out. Ph between 5 and 6.5 for best results. Temperature Range 4° to 40°
Plant Size (approx):	1m high x 0.8m wide
Planting:	Dig a hole approximately twice the size of the container. Remove plant and place into the hole so the soil level is the same as the surrounding ground. Fill in the hole and push down firmly and water in thoroughly.
Fertilizing & Watering:	Fertilize in spring with a slow release fertilizer and water to keep moist in a pot situation.
