

PRODUCT INFORMATION SHEET

Product Group: Philodendron	Philodendron Rojo Congo
Description:	Beautiful large glossy burgundy leaves are perfect for creating a tropical atmosphere around your outdoor or indoor living areas. Stunning bold plant that cleans the air whilst it beautifies its surroundings. Extremely durable and low maintenance indoor plant.
Planting Position:	Prefers bright or filtered light indoors or a warm sheltered frost free position outdoors in well drained soil. Temperature Range: 4° to 35°
Plant Size (approx):	1.5m high x 70cm wide
Planting:	Dig a hole approximately twice the size of the container. Remove plant and place into the hole so the soil level is the same as the surrounding ground. Fill in the hole and push down firmly and water in thoroughly.
Fertilizing & Watering:	Fertilize with a good quality slow release plant food two or three times a year. Keep moist in the growing season and drier in cooler weather.
