

PRODUCT INFORMATION SHEET

Product Group: Pisonia	Pisonia Brunoniana Variegated
Description:	This dramatic foliage feature plant has pale to dark green leaves well patterned with creamy yellow to white. An ideal feature plant for both indoors and outdoors.
Planting Position:	Grows indoors in a warm position with filtered light and outdoors in a warm and sheltered, partly shaded position with protection from frosts. Temperature Range: 4° to 35°
Plant Size (approx):	3m high x 3m wide
Planting:	Dig a hole approximately twice the size of the container. Remove plant and place into the hole so the soil level is the same as the surrounding ground. Fill in the hole and push down firmly and water in thoroughly.
Fertilizing & Watering:	Fertilize with quality slow release fertilizer. Keep moist in the warmer months, drier in the cooler months.
