

## PRODUCT INFORMATION SHEET

<b>Product Group:</b> Syngonium	<b>Syngonium Podophyllum Maria</b>
<b>Description:</b>	An extremely attractive plant, both indoors and outdoors with lovely heart shaped leaves that are beautifully textured and red toned. For brighter foliage, plant in a well lit position. Maria will also climb up a totem.
<b>Planting Position:</b>	Perfect for hanging baskets or planted in a warm, humid, shaded position, free from draughts and with good indirect light. Keep moist but not overwater.  Temperature Range 7° to 35°
<b>Plant Size (approx):</b>	20cm - 50cm high
<b>Planting:</b>	Dig a hole approximately twice the size of the container. Remove plant and place into the hole so the soil level is the same as the surrounding ground. Fill in the hole and push down firmly and water in thoroughly.
<b>Fertilizing &amp; Watering:</b>	Fertilize in spring with a slow release fertilizer and water to keep moist in a pot situation.
