

PRODUCT INFORMATION SHEET

Product Group: Syngonium	Syngonium Podophyllum Pixie
Description:	An easy to maintain popular compact houseplant producing striking variegated leaves.
Planting Position:	Thrives indoors in a well lit, warm position free from draughts. Perfect for pots, ideal for window boxes, window sills and terrariums. Keep moist but not overwater. Temperature Range 5° to 30°
Plant Size (approx):	5cm - 20cm high
Planting:	Dig a hole approximately twice the size of the container. Remove plant and place into the hole so the soil level is the same as the surrounding ground. Fill in the hole and push down firmly and water in thoroughly.
Fertilizing & Watering:	Fertilize in spring with a slow release fertilizer and water to keep moist in a pot situation.
