

PRODUCT INFORMATION SHEET

Product Group: Syngonium	Syngonium Podophyllum Sunshine Speckle
Description:	An easy to maintain popular houseplant producing beautiful green foliage speckled with cream and has red coloured veins.
Planting Position:	Perfect for hanging baskets or planted in a warm, humid, shaded position, free from draughts and with good indirect light. Keep moist but not overwater. Temperature Range 7° to 37°
Plant Size (approx):	20cm - 50cm high
Planting:	Dig a hole approximately twice the size of the container. Remove plant and place into the hole so the soil level is the same as the surrounding ground. Fill in the hole and push down firmly and water in thoroughly.
Fertilizing & Watering:	Fertilize in spring with a slow release fertilizer and water to keep moist in a pot situation.
