

PRODUCT INFORMATION SHEET

Product Group: Syngonium	Syngonium Podophyllum White Butterfly
Description:	A gorgeous mound of creamy white foliage touched with green combines with the arrowhead-shaped foliage to create an illusion of butterfly wings.
Planting Position:	Thrives indoors in a well lit, warm position free from draughts. Perfect for pots and looks wonderful cascading from hanging baskets. Keep moist but not overwater. Temperature Range 7°C to 37°C
Plant Size (approx):	40cm - 60cm high x 40cm - 60cm wide
Planting:	Dig a hole approximately twice the size of the container. Remove plant and place into the hole so the soil level is the same as the surrounding ground. Fill in the hole and push down firmly and water in thoroughly.
Fertilizing & Watering:	Fertilize in spring with a slow release fertilizer and water to keep moist in a pot situation.
