

PRODUCT INFORMATION SHEET

Product Group: Tradescantia	Tradescantia Gibasis (Tahitian Bridal Veil)
Description:	A charming, hardy, cascading house plant for hanging baskets or pots. Foliage is dotted with tiny white blossoms. A wonderful plant to grow indoors or in a fernery.
Planting Position:	Requires a protected site and shelter from direct sunlight. Keep moist but not wet. Temperature Range 5° to 35°
Plant Size (approx):	Trailing or spreading
Planting:	Dig a hole approximately twice the size of the container. Remove plant and place into the hole so the soil level is the same as the surrounding ground. Fill in the hole and push down firmly and water in thoroughly.
Fertilizing & Watering:	Fertilize regularly with a slow release fertilizer and water to keep moist in a pot situation.
